📍 La Plata, Argentina

Profile

As an advanced student pursuing a degree in IT Analyst, I am actively seeking opportunities to leverage my knowledge within a professional setting.

Eager to acquire valuable skills and practical experience, I bring a strong sense of enthusiasm and proactiveness to any team I join.

My strengths lie in maintaining a positive attitude, rapidly adapting to new concepts, and collaborating effectively.

Education

IT Analyst, Universidad Nacional de La Plata [🔗](#)

Actually finishing second year

2021 – present
